

DOG & PUPPY TRAINERS THAT MAKE SCENTS

DOGS COMMUNICATE AND UNDERSTAND THEIR WORLD PRIMARILY THROUGH THE SENSE OF SMELL. THE PART OF A CANINE BRAIN THAT CONTROLS SMELL IS 40X LARGER THAN A HUMAN BRAIN. A DOG'S SENSE OF SMELL CAN BE 10,000 TIMES MORE SENSITIVE THAN HUMANS. HUMANS HAVE 5 MILLION SCENT GLANDS AND DOGS HAVE UP TO 300 MILLION. WHEN DOGS SMELL SOMETHING THEY GET AN ENTIRE STORY INCLUDING DIFFERENTIATING WHAT ANIMAL IT IS. THEY CAN TELL INSTANTEOUSLY A LOT ABOUT THE OTHER ANIMAL---WHETHER THEY ARE MALE OR FEMALE, WHAT THEY ATE AND WHERE THEY HAVE BEEN, WHAT THEY HAVE TOUCHED---EVEN WHAT MOOD THEY ARE IN.

THE TWO DIFFERENT SCENTS USED ON THE POOH STONE AND THE HERE DOGGIE! INDOOR PEE PAD TRAINER ARE TWO SCENT AGENTS THAT DOGS FIND IRRESISTIBLE. THE SCENT ON THE POOH STONE IS A STRONG CANINE SCENT THAT WILL CAUSE THE DOG TO MARK ITS TERRITORY. THIS SCENT IS BEST USED OUTSIDE THE HOME.

THE SPECIAL SCENT USED ON THE HERE DOGGIE! INDOOR PEE PAD TRAINER IS A NON OFFENSIVE SCENT TO HUMANS BUT A POWERFUL ATTRACTANT THAT STIMULATES THE DOGS SCENT RECEPTORS AND CAUSES THE DOG TO WANT TO URINATE AND/OR DEFECATE IN THE AREA. WHATEVER YOUR DOG AND PUPPY TRAINING NEEDS, WE HAVE THE ONE THAT MAKES "SCENTS" FOR YOU.
